

Part number

CR Q12

Brief description:

coding pins for CD 07 and CD 08 inserts, for CQ12 inserts

Product description

Series	multipole inserts accessories
Product type	coding pins
Style	for CQ 12 inserts
Family	accessories for multipole connectors

Technical data

Operating temperature range (min, max)	-40°C ... +125°C
---	------------------

Further technical details

UL 94 flammability rating	V-0
Weight	0,23 g

General ordering information

EAN13 code	8015747163958
Tariff number	85369095

Packaging Information

Sub-packaging weight	0,02 kg
Sub-packaging description	Plastic bag
Sub-packaging quantity	100 Pcs
Sub-packaging EAN barcode	8015747163989

Part number

CR Q12

Notes

Code pins

Each series of connector inserts is made in such a way as to make incorrect coupling between inserts of different series impossible. When a number of identical connectors with different functions are mounted closely together these must be selected in such a way as to prevent the coupling of a mobile part on a non-corresponding fixed part and consequent damage and breakdown.

Within this scope, special coding pins have been manufactured in order to restrict or avoid mating identical multiple connectors. By combining multiple coding pins, a high number of selected matings can be produced.
