OVERALL DIMENSIONS

Technical features

4801 COW INCLUDES

20 m of electrifiable tape to create fences, gates and passageways for your livestock.

1 hook designed to leave space to access the fencing.

EASY TO USE

The tape winds back into its housing in a few seconds and with a simple "movement".

Included: an extra cable stop device that can be easily inserted.

SAFE AND STURDY

Designed and tested to last over time.

Quality guaranteed by the Zeca laboratory.
