

Substances Declaration

Per- and polyfluoroalkyl substances (PFAS)

Elproman AB hereby declares that, based on the information currently available from our suppliers, **per- and polyfluoroalkyl substances (PFAS)** are not intentionally added as ingredients in the constituent materials of the following products:

145033-xx	145034-xx	145035-xx	145036-xx
145037-xx	145038-xx	145039-xx	145045-xx
145046-xx	xx=all colors		

This declaration is based on available safety data sheets, technical data sheets, material information and declarations received from our suppliers.

Elproman AB does not perform independent laboratory testing to verify the presence or absence of PFAS in the products listed above. The information provided in this declaration is therefore based on information made available to us by our suppliers.

For further information, please contact Elproman AB.

Sincerely yours,

Segeltorp 2026-08-25
